

# KC RESTAURANT WEEK 2023

*Reaffirming a commitment to social and civic responsibility, Kansas City Restaurant Week organizers are pleased to announce the following charitable partners as beneficiaries of the 2023 Kansas City Restaurant Week.*

## 2023 Featured Beneficiary

CORNERSTONES  
OF CARE

The 2023 Community Partner is Cornerstones of Care. Serving more than 10,000 children and families last year, Cornerstones of Care is dedicated to helping those in need by providing in-home and in-community services throughout the KC region. They strive to create a safe healing environment that respects dignity and inclusion so our children and families can experience more fulfilling and rewarding lives. Through the generosity of Kansas City restaurants and their diners, more than \$3.3 million has been raised for local causes in KCRW's 13-year history. Contributions have benefitted groups such as the Guadalupe Centers, The Don Bosco Centers, Harvesters, BoysGrow, the Children's Center for the Visually Impaired and the Boys & Girls Clubs of Kansas City.

Created in 2005, the Visit KC Foundation is a 501(c)3 entity associated with the region's destination management organization, supporting causes on both sides of the state line. Through programming such as Kansas City Restaurant Week and other initiatives, the Foundation enhances the quality of life for the Kansas City region through its priorities of tourism advocacy and workforce development.

Administered by the Greater Kansas City Restaurant Association, the foundation seeks to promote the restaurant industry in the greater Kansas City area by offering scholarships to students pursuing a career in the hospitality industry.
